Your Welfare Fund is getting a new look—so you can easily identify valuable health information coming your way.

Your health and well-being are important to us. That's why the Board of Trustees is starting a series of communications from the Welfare Fund offering health and wellness tips, ideas for using your valuable benefits wisely, preventive care recommendations, and more.

When you see this new logo you'll know that you're getting important information about your benefits. Take the time to read it and share it with your family.

And don't forget to visit our new Web site, **www.ualocal1funds.org**. It's easy-to-navigate and everything you need to know about all your benefits is just a mouse click away. Or, you can always call the Fund Office at (718) 835-2700, and select the option you need from the newly automated menu.
