

Important Network Update: Anthem & Mount Sinai

Date: April 14, 2026

Subject: Restoration of In-Network Access

The Good News

We are pleased to share that **Anthem Blue Cross and Blue Shield in New York** has reached a new three-year agreement with **Mount Sinai**. This agreement restores access to one of the region's premier health systems while ensuring long-term stability and lower cost-of-care trends for our members.

Key Dates & Coverage Details

Coverage Type	Effective Date
Physician Services	In-Network as of January 1, 2026
Facility / Hospital Access	In-Network as of March 4, 2026
Retroactive Claims	Impacted claims will be re-processed as In-Network
Agreement Term	Secured through 2028

Why This Matters to You

- **Continued Access:** You maintain your relationship with high-quality Mount Sinai providers.
- **Financial Protection:** Retroactive processing minimizes out-of-pocket disruption from the recent out-of-network period.
- **Price Stability:** The agreement includes responsible, controlled price increases to keep your healthcare costs predictable.

Next Steps: No action is required from members. Anthem will automatically begin processing claims according to these new terms. For specific provider questions, please visit the Anthem member portal.
