

Plumbers Local Union No. 1 401(k) Plan

The Retirement Income Calculator can help guide you to the life you want in retirement!

If you've been online to check your Plumbers Local Union No. 1 401(k) Plan account, you've probably seen the Retirement Income Calculator ("RIC"), a powerful tool that helps you better understand how decisions you make today might influence your retirement days tomorrow.

As you may know, for Local 1 members retiring on or after January 1, 2022 the 35-year maximum Pension Credit that a Local 1 member can accrue towards retirement is removed. There is now no limit on the number of years of total credit (Past Service Credit + Future Service Credit) that can be accrued from work in Covered Employment. Including your pension amount through the RIC may improve your financial picture.

Regardless of whether you're an apprentice just starting out or at the other end of your career, the RIC can help you make sure your retirement is on the right track!

Log in to:

- See where you stand based on your current savings and contributions.
- Find out if you're able to save even more.
- Discover how different expenses could affect your lifestyle in retirement.

The closer you get to retirement, the more exciting it is to anticipate your possibilities. We can help you plan for what's next with the Retirement Income Calculator!
