Learn more about Your Benefits

Visit our new website @ [www.ualocal1funds.org](http://www.ualocal1funds.org)

Join us as representatives from both Vision Screening and CPS Optical provide information on your Vision Benefits.

Two sessions are scheduled and each Vision Provider will walk you through how to manage your benefits on the web and review the best way to find an in-network Provider so you're able to maximize your Vision Benefits.

Are you aware of all the vision offerings and discounts available to you through the Plan and / or when using one of our Vision Providers?
