† Lab fees and screenings may be billed separately. We recommend that you contact the phone number on the back of your prescription ID card prior to visiting MinuteClinic to verify coverage of the specific service you are seeking, as well as any copays, coinsurance or deductibles. Confirming this information in advance will help you avoid unforeseen charges. Select services, such as sports and camp physicals, are not covered under your benefit plan and therefore require full payment. MinuteClinic services may vary by state. Patients must be 18 months or older in most states.

Your privacy is important to us. CVS Caremark employees are trained regarding the appropriate way to handle your private health information.
