
 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.ualocal1funds.org or call 1-718-223-4313. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	<p><u>Network providers</u>: \$0 <u>Out-of-network providers</u>: \$2,000/individual or \$5,000/family</p>	<p><u>In-network</u>: See the Common Medical Events chart below for services this <u>plan</u> covers. <u>Out-of-Network</u>: Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your <u>deductible</u>?	<p><u>In-Network</u>: Not applicable <u>Out-of-Network</u>: Yes. <u>Home health care</u> and <u>prescription drugs</u> are covered before you meet your <u>deductible</u>.</p>	<p><u>In-Network</u>: This <u>plan</u> does not have a <u>deductible</u>. <u>Out-of-Network</u>: This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.</p>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	<p><u>Medical/hospital network providers</u>: \$5,100/individual, \$10,200/family <u>Medical/hospital out-of-network providers</u>: \$2,000/individual, \$5,000/family <u>Prescription drugs (in-network)</u>: \$1,500/individual, \$3,000/family</p>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u>?	Yes. See www.ualocal1funds.org for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
