

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.ualocal1funds.org](http://www.ualocal1funds.org) or call 1-718-835-2700. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform.com](http://www.dol.gov/ebsa/healthreform.com) or call 1-718-835-2700 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	<u>Network providers</u> : \$0 <u>Out-of-network providers</u> : \$2,000/individual or \$5,000/family	<u>In-network</u> : See the Common Medical Events chart below for services this plan covers. <u>Out-of-network</u> : Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
<b>Are there services covered before you meet your deductible?</b>	<u>In-Network</u> : There is no deductible. <u>Out-of-Network</u> : Yes. <u>Home health care services</u> and <u>prescription drugs</u> are covered before you meet your deductible.	<u>In-Network</u> : This plan does not have a deductible. <u>Out of-Network</u> : This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet deductibles for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	<u>Medical/hospital network providers</u> : \$5,100/individual, \$10,200/family <u>Medical/hospital out-of-network providers</u> : \$2,000/individual, \$5,000/family <u>Prescription drugs (in-network)</u> : \$1,500/individual, \$3,000/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>In-Network/Out-of-Network</u> : <u>Premiums</u> , <u>balance-billing charges</u> , penalties for failure to obtain <u>preauthorization</u> and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="http://www.ualocal1funds.org">www.ualocal1funds.org</a> for a list of <u>network providers</u> .	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a specialist?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
