

HEART 9/11 is more than just a team-it's an alliance of emergency responders from the FDNY, NYPD, PAPD, and NYC Building Trades that are ready to rebuild communities, restore hope, and help individuals and families rise above adversity. The legacy of 9/11 continues in the spirit and actions of our volunteers.

## HOW YOU CAN HELP

Join our team and make a powerful impact by donating \$9.11 to honor the sacrifices of our brave colleagues, family members, and first responders who were lost to illness during and after the rescue and recovery mission. Your support helps us ensure "We will never forget".
